

LEFT INTERIOR VIEW

FRONT VIEW

Technical drawing of the right rail assembly. The drawing shows a vertical rail with a mounting bracket and a cable management system. The rail is labeled "Right Rail" at the top. The assembly includes a vertical rail, a mounting bracket, and a cable management system. The drawing is oriented vertically, with the rail running from top to bottom. The mounting bracket is located at the bottom of the rail, and the cable management system is located at the top of the rail. The drawing shows the rail, the mounting bracket, and the cable management system in detail. The rail is a long, thin, vertical component. The mounting bracket is a rectangular component with a central slot. The cable management system is a rectangular component with a central slot and a cable management system. The drawing is oriented vertically, with the rail running from top to bottom. The mounting bracket is located at the bottom of the rail, and the cable management system is located at the top of the rail. The drawing shows the rail, the mounting bracket, and the cable management system in detail. The rail is a long, thin, vertical component. The mounting bracket is a rectangular component with a central slot. The cable management system is a rectangular component with a central slot and a cable management system.
